Ensuring that your lips are plumped up and looking stunning for your wedding day is an absolute must. We bring you the best make-up and conditioning treatments to show off your lips to the max.

Here are some top tips to help you get that look.

1. MAC'S CLEAR LIP GLASS: this fabulous product -which can be used alone or on top of your existing 'favourite shade'- is as versatile as shiny. We love its glossy quality and long lasting staying power. Easy to apply and very adaptable.

2. MAC'S 'SPICE' LIP LINER is the number one seller from Mac, and comes highly recommended by AB. It's great to wear on its own with a clear lip-gloss creating a light lip-gloss effect, or to create definition and a perfect shape to the lips.

3. KISS PROOF LUMINOUS from L'Oreal Paris is a revolutionary new lipstick, which is guaranteed to stay on the lips. Their brand new range includes some exciting brighter shades with added metal-shine particles for a satin, luminous finish. Drink proof, food-proof and most importantly, kiss-proof. For a subtle look, try their Luminous Ginger, and for a sexier shade Luminous Cherry will give that additional depth of colour. This non-transferable lipstick will be your best friend all day long...and into the evening!

4. MOLTON BROWN'S LIP PLUMPING OVERNIGHT TREATMENT is a fabulous must-have if the pout look is what you are after. The wonder lips booster, is a collagen based treatment which will fill out lines and firm up its contour. Conditioning wild mango butter, honey and vitamin E leave lips soft and supple. Simply twist the base of the pen clockwise to release product. For Maximum results, use nightly for 28 days.

5. BURT'S BEES BESWAX LIP BALM is an all-natural wonder product which helps ease cracked chapped lips by relieving pain and preventing further chapping. Unlike other balms that use petroleum, Burt's Bees contains beeswax, as natural wax made by the bees in the cell walls of honeycombs that help to seal and protect the skin, and prevent lips from becoming dry and chapped. It also has Coconut and Almond oil to moisturise, and peppermint oil to refresh tired lips.

6. BURT'S BEES NATURALLY FRUIT FLAVOURED LIP GLOSS is as sweet smelling as as moisturising. Bursting with natural ingredients, such as grape seed oil, coconut oil, cocoa butter and rosemary extract this product will give you a subtle gloss and a colourless shine. It's natural flavour is squeezed straight from the fruit, making it scrumptious enough to want to eat! Available in raspberry, lemon-lime and strawberry and cherry. Which will take your fancy?
